While Camp Kingsmont maintains several vehicles for use at camp, occasions may arise where use of a personal vehicle may be necessary. These situations may include errands, visits to the doctor or hospital, trips, excursions, airport transfers or other camp business.

Will you give permission for your vehicle to be used for camp business? In such event, you would be the sole driver of your vehicle. YES NO

In the event you do agree to use your vehicle for camp business, your vehicle must be adequately maintained and we must have proof of insurance on file. In the event you are not the registered owner of the vehicle, use for camp business requires the vehicle owner's consent.

**I hereby agree that the vehicle listed above may be used for camp business.**
